

DAN HENRICK

I am a web developer / designer with over 20 years of digital experience. I have a passion for motion graphics and run a small animation studio based in Chicago. I'm looking for opportunities to design and create innovative digital experiences for both the web and for video.

You can view my UI / UX and front end work at danhenrick.com – phone: 773-865-3485

EMPLOYMENT

UI/UX DESIGNER/ FRONTEND DEVELOPER
